

PRESS RELEASE

FAI puts Learjet 55 – No. 6 in Service – Total Fleet now 13 Aircraft!

German Operator FAI rent-a-jet again has expanded its Learjet-Fleet by adding another Learjet 55, S/N 061 - D-CFAI - to its fleet, which is now totalling 11 Learjets (2 x 35A-R/X + 3 x 60 + 6 x 55) plus one Falcon 900 DX EASy and one CL 604, which is operated by FAI's Swiss subsidiary Nomad Aviation.

S/N 061 is the longrange version of the Learjet 55, which is equipped with an additional fuel tank of 1.000 lbs and will operate in dedicated Airambulance-Service.

FAI's latest acquisition: Learjet 55, S/N 061, D-CFAI

Nuernberg, July 2009
