
FAI adds Global Express to its Charter-Fleet

German operator FAI rent-a-jet AG will present its latest acquisition on Static Display at EBACE, a Global Express with a TT of only 2500 hrs., which has been in service since 2003.

The Global Express is boosting FAI's fleet to a total of 20 jets inclusive 5 jets operated by FAI's Swiss subsidiary Nomad Aviation, the fleet now includes 17 Bombardier aircraft (2 x Learjet 35A + 7 x Learjet 55 + 4 Learjet 60 + 3 x Challenger 604 + 1 x Global Express) plus one Falcon 900 DX EASy, one Legacy and one Citation, while the non-Bombardier aircraft are all operated under management-contracts for corporate clients.

"FAI now probably is operating one of Europe's largest fleet of business-jets, probably one of the most impressive Bombardier-fleets in Europe at all", Siegfried Axtmann, FAI's chairman stated in an interview. For 2010 FAI is expecting consolidated revenues of approximately €50 m, after €38 m in 2009, reflecting a growth of more than 30 %.
